

Puget Sound Beekeepers Association

Field DAY

with Randy Oliver 2013

Sat. May 18th, 2013
8:30am to 4pm

Join...

Puget Sound Beekeepers Association
for a day of fun and learning with biologist
and commercial beekeeper **Randy Oliver**

Morning - Randy Oliver Presentation

Randy Oliver will present "Understanding the Biology of Colony Health" followed by a discussion of varroa mite management.

Afternoon - Breakout Groups in the Apiary

The afternoon will consist of small groups rotating through several learning stations as well as spending time inspecting hives with Randy Oliver. Learn tips & techniques from this experienced beekeeper. There will be something for everyone at Field Day 2013!

Field Day Topics:

- Waggle Dance Demonstration
- Learn to "Bee Bump"
- Queen Rearing Practices
- WASBA Master Beekeeping Information
- Varroa Mite Management
- Seed ball and PSBA button making!

Where:

Morning session: Laurelhurst Community Center, 4545 NE 41st St, 98105

Afternoon session: PSBA Apiary, located behind the greenhouses next to the Graham Visitor Center (2300 Arboretum Drive E, Seattle, WA 98112)

Prices: \$35/individual, \$40/household of 2

Bring: Protective gear, if you have it. PSBA has a limited supply and there will be opportunities to get into the hives.
