

2019 Swarm List

All PSBA volunteers listed below can capture and remove honey bee swarms for free. Please report swarms as soon as possible by contacting a beekeeper from one of the closest areas listed below. If a beekeeper does not immediately respond please leave a message and call the next beekeeper listed. If you have issues finding an available beekeeper in the King County area please contact the swarm list manager, Jeff 206.354.9774

<p>Key Names showing the below <u>symbols</u> can also perform additional services that may incur a fee:</p> <ul style="list-style-type: none"> * Relocate bumble bee nests. ^ Cutout honeybee nests from <u>inside building cavities</u> and relocate them. ~ Remove wasps, hornets and yellow jacket nests. # Recover swarms above 18 feet. 	 <p>A honey bee swarm is a mass of bees hanging from a limb, branch or other object.</p>	 <p>Bumble Bee</p> <p>Honey Bee</p> <p>Wasp/Yellow Jacket</p>
